

Focus on Comfort Care

Questions to ask your loved one about their end-of-life wishes.

1

What's your biggest fear regarding hospice care?

- Hospice care doesn't hasten death or extend life. We focus on keeping you in control and symptom / pain free.

2

If you are diagnosed with a serious illness, my preference is _____.

3

As treatment becomes limited, how do you want to proceed?

4

Having healthcare documents like a POLST form or DNR keep you in control.
