Hospice of Southern Illinois, Inc.

August is National Dog Month!

How Do Furry Friends Make an Impact in End-of-Life Care?

Hospice of Southern Illinois takes pride in offering programs and services that truly enhance patients' and their family's quality of life. Our pet therapy program is a complimentary service that brings comfort and joy to many in our communities. Further, it offers companionship, social interaction, and emotional connection to individuals at any stage in their end-of-life journey. Patient and family wishes are our top priority.
